**GUARANTY FEE**

Laitilan Puhelin has, according its General Agreement Conditions, the right, before accepting the agreement or as well during it´s validity, to verify customer´s credibility and to withhold a Guaranty Fee, if customer´s credibility is insufficient, if credibility information is not available within reasonable expenses, if customer is set in bankruptcy or already claimed in one, if customer is noticed financially poor by any authority, or if any other particular reason is valid.

Guaranty Fee is 200 €, which is returnable. It will be paid back to customer with 2 months, if the agreement is terminated. If the customer in that moment has unpaid invoices regarding the agreement terminated, those will be subtracted from the Guaranty Fee before it is returned.
